BRIEF-2605-0225 / 2026-05-01

Purpose

Publish a short walking guide that residents can use without a mobile connection.

Who it is for

Residents and visitors taking a walk of about ninety minutes.

In scope

- Write descriptions for twelve stopping points.
- Check step-free alternatives.
- Produce an A5 printed guide and an accessible PDF.

Outside scope

- A navigation app is outside this project.

Milestones

Date	Deliverable	Acceptance
2026-05-22	First complete draft	All items in scope are covered and open questions are listed.
2026-06-05	Resident review	At least five residents have reviewed the draft and comments are recorded.
2026-08-01	Final release	The owner has approved the final materials and handover notes.

Risks and responses

A supplier may miss the requested delivery date. Confirm lead times before ordering and keep one local alternative.
Instructions may be difficult for first-time visitors to follow. Ask residents unfamiliar with the project to test the draft.

Success criteria

- Complete the agreed scope by the deadline.
- Keep committed spending within the approved budget.
- Resolve all access concerns raised during the resident review.
